

NIAM MAKHALI

Social & Environmental Psychology Researcher

Jepara, Central Java | 0818-1817-0100 | niammakhalii@gmail.com

Portfolio

SUMMARY

Researcher with a master’s degree in psychology from Universitas Padjadjaran and experience in quantitative and qualitative social research. Skilled in survey methodology, psychometrics, statistical analysis, and evidence-based research across academic and field settings. Experienced in adapting and validating psychological instruments, designing research protocols, analysing complex datasets, and producing scientific reports to support research and policy development. Interested in sustainability, environmental behaviour, public policy and social development.

EDUCATION

Master of Science in Psychology Universitas Padjadjaran GPA 3.51	2024 - 2026
Bachelor of Psychology Universitas Muria Kudus GPA 3.60	2019 - 2023

CORE COMPETENCIES

- **Research Method:** Research Design, Psychometrics, Questionnaire Development, Instrument Adaptation (ITC 2017), Systematic Literature Review, Qualitative Interview.
- **Research Areas:** Sustainability, Environmental Behaviour, Social Psychology, Community Research.
- **Software:** R Studio, Positron, Antigravity, Microsoft Office

PROFESSIONAL EXPERIENCE

Research Assistant – Faculty of Psychology, Universitas Padjadjaran	2024 - 2026
• Assisted in grant-funded research projects from research design to reporting. • Adapted and validated four international psychological instruments following ITC Guidelines (2017). • Designed survey procedures and supported ethical clearance preparation. • Conducted statistical analyses using R and structural equation modelling techniques. • Coordinated research activities, participant recruitment, and field data collection. • Prepared research reports, technical documentation, and scientific manuscripts.	
Executive Coordinator – Muria Research Center	2019 - 2023
• Coordinated research planning, scheduling, and implementation across multiple community-based research projects. • Supervised field researchers throughout data collection activities. • Developed research protocols and field instruments. • Analysed research findings and prepared technical reports and scientific publications. • Facilitated communication among research team members and external stakeholders.	
Field Research Assistant – SurveyMETER	2023
• Conducted large-scale field surveys across culturally diverse communities in Southwest Papua. • Collected quantitative and qualitative data through structured interviews and field observations. • Maintained data quality through verification and consistency checking. • Collaborated with multidisciplinary research teams during field implementation.
